

REMARKS/ARGUMENTS

Claims 24, 34, 41, 45, 57 and 59 have been canceled without prejudice for re-presentation in a continuing application.

The above presented claims have been revised to correct various clerical errors and informalities present in the claims filed August 23, 2006. For example, the claim identifier of previously presented claim 14 was incorrect.

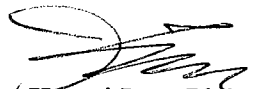

The revised claims remain tailor to the election with traverse filed August 23, 2006 and currently contemplated commercial embodiments of the invention. The revisions are made for business reasons unrelated to any position set forth in the Restriction Requirement.

New claims 68 and 69 are supported at least by claims 20 and 21, as well as claims 30 and 31, respectively. Similarly, new claims 10-73 are supported by claim 44.

No new matter has been introduced, and entry of the revised claims is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 858-350-6151.

Respectfully submitted,

Kawai Lau, Ph.D.
